

Application No. 10/674,113  
Supplemental Amendment dated November 2, 2007  
Reply to Office Action of July 2, 2007

### **REMARKS**

Amendments proposed herein in this supplemental amendment add new dependent claims 10-12. After amendment, claims 1-3, 5-6, and 10-12 are pending.

The newly-added dependent claims correspond to as-filed claims 7-9. Claims 10-12 are believed to be patentable for the same reasons as those given with respect to their parent claim set forth in the Applicants' response of even date.

As now presented, the application is believed to be in condition for the Examiner's reexamination and reconsideration for allowance. Such early action is earnestly solicited.

Respectfully submitted,

/Robert H. Kelly/
